We are going to discuss the IA for the new work at this site.

My personal preference (chime in Paula) is for us to do ONE IA that includes a SOW for both the Fund lead RI/FS work and the oversight of the PRP RI/FS work. That way, you can compete the entire thing and get one contractor to do both.

We need to discuss how we will administer that IA to achieve that goal.

Kate

Kate, got the invite. And it is on my calendar. Anything I should know ahead of time that will help with the discussion?

thanks
